Book Depot is on a mission to empower nonprofit organizations by providing them with the right books, enabling them to make a profound and lasting impact on their communities. We firmly believe in the transformative power of books, not just for individuals but for entire communities. That's why we are so passionate about our literacy program.

Our primary objective is to assist organizations like yours in making books more accessible to a broader audience – simply putting more books into more hands. By offering unbeatable prices and tailored services that cater to your specific needs, we can help you maximize your impact with more books at a lower cost.

Did you know that Book Depot holds the distinction of being the world's largest bargain book distributor? Every year, we dispatch millions of books to various literacy programs, nonprofit organizations, educators, and libraries. We take pride in offering flexible solutions designed to save you time and money. Whether you prefer direct-to-consumer shipping or bulk shipments to your warehouse, we've got you covered.

When you connect with one of our dedicated account managers specializing in the literacy sector, we will collaboratively explore innovative and cost-effective solutions that are unmatched in the industry.

Publisher Partnerships

We work with top publishers in the business including Penguin Random House, Simon & Schuster, Harper Collins, MacMillan, Hachette and more.

For over four decades, Book Depot has been a trusted presence in the wholesale bargain book industry, consistently delivering time and cost savings to retailers, educators and literacy organizations. Our strength lies in providing the most extensive array of high-margin books available.

But what exactly are bargain books? These are brand-new, unread books that come directly from publishers' excess stock. The allure of bargain books is their significantly reduced prices, while still guaranteeing great condition and quality. In fact, the profit margin on these books is often double that of new releases. It's an opportunity you can't afford to miss.

Book Depot serves as your one-stop shopping destination, offering you the broadest selection of wholesale bargain books. We are your go-to resource for maximizing both your time and financial resources, ultimately boosting your bottom line and maximizing your impact.

Our shelves receive a daily influx of hundreds of new arrivals across more than 50 diverse categories, ensuring that there's something suitable for organizations of all types and sizes. What's even more convenient is that you can explore our entire inventory on our websites, bookdepot.com and bookdepot.ca, and place your orders online, simplifying the process for you.

Our Purpose: Enchanting the Mind

We believe in the power of reading to Enchant the Mind, and we consider it our shared responsibility to bring this purpose to life, one book at a time. This enchantment takes various forms; for some, it means bringing joy and nurturing the imaginations of our community and global readers. For others, it's about sharing knowledge to inform and educate. And for some, it extends even further: it means ensuring affordable books are accessible to the most vulnerable in our communities and worldwide, granting everyone an equal opportunity to learn, grow, create, and succeed. The ways we Enchant the Mind are boundless, and it all comes down to how our collective efforts make a real impact.
